

PRISTINE LOGISTICS & INFRAPROJECTS LTD

INTEGRATED MANAGEMENT SYSTEM POLICY

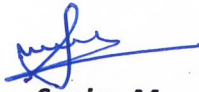

Environment, Occupational Health, Safety & Quality Policy

Pristine Logistics and Infraprojects Ltd. and Its Subsidiaries are committed to providing a safe, healthy and environment friendly atmosphere for our staff, customers, contractors, the community, and other stakeholders by:

- *Compliance with all applicable Environmental, Occupational Health & Safety related Legal and other requirements.*
- *Regularly communicating, educating & imparting training on Environment, occupational health, Safety & Quality to all employees, contractors, consultant, and visitors.*
- *Committed to conserve our natural resources & minimising potentially harmful effects resulting from our operations and construction activities & to implementing improvement associated with the prevention of pollution, injury & illness.*
- *Review EHSQ performance and undertake regular EHSQ inspections and audits of operations to ensure continuous improvement in EHSQ management.*
- *Engaging with the community and stakeholders so they are informed in how our operations may affect them.*
- *Set and review realistic EHSQ objectives and targets to enable continual improvement in our EHSQ performance.*
- *Take appropriate action based on constructive internal and external feedback.*
- *Satisfying customers through excellence in the quality of our services.*
- *Undertake assessments to identify the EHS risks from company operations and ensure that appropriate control measures are implemented and monitored.*
- *Making the EHSQ Policy widely known to all employees, contractors & interested parties & will be made available to the public upon request and periodically reviewing the same for improvement.*

We dedicate ourselves to the continual improvement in the EHSQ performance and make it an integral part of our work culture.
