## INDEPENDENT AUDITOR'S REPORT

To the Members of Pristine Malwa Logistics Park Private Limited

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Pristine Malwa Logistics Park Private Limited (the Company), which comprise the balance sheet as at 31 March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2023, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are

required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has no pending litigations which impact its financial position in its financial statements as at 31 March 2023.
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2023.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2023.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(c), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared and paid dividend during the year.
- vi As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.
- (h) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company did not pay any remuneration to its Directors during the year.

## Annexure A to the Independent Auditor's Report

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended 31 March 2023, based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a to d) The Company has no Property, Plant and Equipment (including Right of use assets) and intangible assets during the year. Accordingly, clauses 3(i)(a) to 3(i)(d) of the Order is not applicable.  
(e) According to the information, explanation and representation provided to us and based on verification carried out by us, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company has no inventory during the year. Accordingly, clause 3(ii)(a) of the Order is not applicable.  
(b) According to the information, explanation and representation provided to us and based on verification carried out by us, the company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii)(b) of the Order is not applicable.
- (iii) (a) During the year, the Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity. Accordingly, reporting under clauses 3(iii)(a) of the Order is not applicable to the Company.  
(b) The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year. However, the Company has made investments during the year and the terms and conditions of investment made are not, prima facie, prejudicial to the interest of the Company.  
(c) The Company has not granted any loans or advances in the nature of loans during the year. Accordingly, reporting under clauses 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.
- (iv) According to the information, explanation and representation provided to us and based on verification carried out by us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it, as applicable.
- (v) According to the information, explanation and representation provided to us and based on verification carried out by us, the Company has not accepted deposits or deemed deposits to which the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 of the Act and the rules framed there under, are applicable. Accordingly, reporting under para 3(v) is not applicable.
- (vi) To the best of our knowledge and as explained to us, the Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products / services. Accordingly, clause 3(vi) of the Order is not applicable.

- (vii) (a) Undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year end for a period of more than six months from the date they became payable.
- (b) According to the information, explanation and representation provided to us and based on verification carried out by us, there are no dues of Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value added tax, Cess on account of any dispute, which have not been deposited.
- (viii) According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961), that has not been recorded in the books of account.
- (ix) (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings and interest thereon payable to any banks and other lenders. The Company does not have any borrowings from financial institutions or government.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) According to the information and explanations given to us and on the basis of our audit procedures, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short term basis have been used for long-term purposes by the company.
- (e) According to the information and explanations given to us, and the procedures performed by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us, and the procedures performed by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) (a) According to the information, explanation and representation provided to us and based on verification carried out by us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information, explanation and representation provided to us and based on verification carried out by us, during the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us, and the procedures performed by us, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us, and the procedures performed by us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- (xiv) (a) In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
- (b) The Company did not have an internal audit system for the period under audit. Accordingly, clause 3(xiv) of the Order is not applicable.
- (xv) According to the information, explanation and representation provided to us and based on verification carried out by us, during the year, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

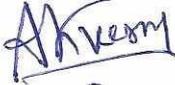

- (xvii) The Company has incurred cash loss amounting Rs.326.77 lakhs in the current financial year 2022-23 and cash losses of Rs.2.34 lakhs during immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Section 135 of the Companies Act, 2013 with regards to Corporate Social Responsibility are not applicable to the Company. Accordingly, clause 3(xx) of the Order is not applicable.

## **Annexure B to the Independent Auditor's Report**

With reference to the Annexure B referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended 31 March 2023 of even date.

### **Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls with reference to financial statements of Pristine Malwa Logistics Park Private Limited ('the Company') as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to Financial Statements**

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

**Notes to Financial Statements for the year ended March 31, 2023**

---

**1. Company Information**

Pristine Malwa Logistics Park Private Limited ('the Company') was incorporated as a private limited company under the provision of Companies Act, 1956. The Company is engaged in the business of develop, equip, manage, acquire, establish or otherwise to acquire warehouses, container freight stations, inland container depots, rail sidings, rail linked terminals and transportation facilities, to provide bonded and general warehousing container repair, container storage, packing, unpacking and transport facilities for all kinds of goods, merchandise, commodities, link stock and all kinds of things and materials, machinery, equipment and vehicles.

**2. Basis and Accounting Policies**

**2.1 Basis**

**2.1.1 Basis of preparation of financial statements**

These Ind AS financial statements have been prepared on the historical cost basis except for certain financial assets or liability that are measured at fair value or amortized cost (refer to accounting policy on financial instruments). The methods used to measure fair values are discussed further in notes to financial information.

**2.1.2 Statement of compliance**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act. The financial statements up to and for the year ended March 31, 2023 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act.

**Amendments to standards issued but not yet effective**

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective from 01 April 2023.

**(i) Definition of Accounting Estimates -Amendments to Ind AS 8**

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates. The amendments are effective for annual reporting periods beginning on or after 1 April 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. The amendments are not expected to have a material impact on the Company's financial statements.

**(ii) Disclosure of Accounting Policies - Amendments to Ind AS 1**

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in these financial statements.

**(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12**

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences. The amendments

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations. Consequential amendments have been made in Ind AS 101. The amendments to Ind AS 12 are applicable for annual periods beginning on or after 1 April 2023. The Company is currently assessing the impact of the amendments.

The above amendments are not likely to have any material impact on the financial statements of the Company for the current or future reporting period.

### **2.1.3 Functional and presentation currency**

These financial statements are prepared in Indian Rupees, which is the Company's functional and presentation currency. All amounts have been rounded-off to the nearest lakhs and two decimals thereof except share data and per share data, unless otherwise stated.

### **2.1.4 Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle to be within 12 months for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets/liabilities are classified as non-current.

### **2.1.5 Use of estimates and judgements**

In preparing these Ind AS financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities,

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

There are no assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year.

**Assumptions and estimation uncertainties:**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the period ended 31 March 2023 is included in the following notes:

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of item which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

**i) Recognition of Deferred Tax assets/(liabilities)**

Deferred income tax expense is calculated based on the differences between the carrying value of assets and liabilities for financial reporting purposes and their respective tax bases that are considered temporary in nature. Valuation of deferred tax assets is dependent on management's assessment of future recoverability of the deferred tax benefit. Expected recoverability may result from expected taxable income in the future, planned transactions or planned optimizing measures. Economic conditions may change and lead to a different conclusion regarding recoverability.

**ii) Provision for employee benefits**

The measurement of obligations and assets related to defined benefit plans makes it necessary to use several statistical and other factors that attempt to anticipate future events. These factors include assumptions about the discount rate, the rate of future compensation increases, withdrawal, mortality rates etc. The management has used the past trends and future expectations in determining the assumptions which are used in measurements of obligations.

There are no assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year.

**iii) Estimation of expected useful lives and residual values of property, plant and equipment and Intangible Assets**

Management reviews its estimate of useful lives of property, plant and equipment at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of property, plant and equipment.

**iv) Impairment of trade receivables**

Impairment of trade receivables is primarily estimated based on prior experience with and the past due status of receivables based on factors that include ability to pay and payment history. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically.

**v) Impairment of financial assets**

The impairment provisions for financial assets disclosed are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

the impairment calculation, based on the Company's history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**vi) Contingencies**

Due to the uncertainty inherent in legal matters, it is often difficult to predict the final outcomes. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business. The Company consults with legal counsel and certain other experts on matters related to litigations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

**2.1.6 Measurement of fair values**

The Company's accounting policies and disclosures require/ may require measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. This includes a team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The team regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

**2.2 Significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**2.2.1 Property, plant and equipment and depreciation**

**2.2.1.1 Initial recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

to the location and condition necessary for it to be capable of operating in the manner intended by management.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

#### **2.2.1.2 Subsequent costs**

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. All the expenses in the nature of repairs and maintenance are charged to Statement of profit and loss during the reporting period in which they have incurred.

#### **2.2.1.3 Derecognition**

Property, plant and equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

#### **2.2.1.4 Depreciation**

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight line method, and is generally recognized in the statement of profit and loss. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Freehold land is not depreciated.

Depreciation on additions to/deductions from property, plant & equipment during the year is charged on pro-rata basis from/up to the date in which the asset is available for use/disposed.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortized depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

### **2.2.2 Intangible assets and intangible assets under development and amortization**

#### **2.2.2.1 Recognition and measurement**

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

#### **2.2.2.2 Derecognition**

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

#### **2.2.2.3 Amortization**

Amortization is computed to write off the cost of intangible assets less their estimated residual value over their estimated useful lives using the straight-line method, and is included in amortization in Statement of Profit and Loss.

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

#### **2.2.3 Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

#### **2.2.4 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another.

##### **2.2.4.1 Financial assets**

###### *Initial recognition and measurement*

Financial assets are recognized when the Company becomes a party to the Contractual provision of the instrument. Initially, all financial assets are recognized initially at fair value plus, (in the case of financial assets not recorded at fair value through profit or loss), transaction costs that are attributable to the acquisition or issue of the financial asset.

###### *Subsequent measurement*

###### **a. Debt instruments at amortized cost**

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate ('EIR') method. EIR is the rate that discounts estimated future cash flows through the expected life of financial instrument. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The interest income arising from EIR is included in Other income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

- b. Trade receivables:** Trade receivables are amounts due from the customers for services provided in the normal course of business. Trade receivables are recognized initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognized at fair value. Subsequently, these assets are held at amortized cost method, net of any expected credit losses (ECL).
- c. Other financial assets:** On initial recognition, Other financial assets are measured at fair value, and subsequently, measured at the amortized cost, less impairment if any. Loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

**d. Debt instrument at FVTOCI (Fair Value through OCI)**

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent solely payment of principal and interest.

Debt instruments included within the above-mentioned category are measured initially at fair value after considering any initial transaction cost. Subsequently, the movements in the fair value are recognized in the Other Comprehensive Income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to profit and loss.

**e. Debt instrument at FVTPL (Fair value through profit or loss)**

This is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as Fair value through Other comprehensive income is classified under this category.

In addition, the Company may elect to classify a debt instrument in this category, which otherwise meets the criteria of amortized cost or Fair value through Other comprehensive income. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial assets which fall under this category are initially measured at fair value only. Transaction costs shall always be transferred to the Statement of Profit and loss. Subsequently, the movements in the fair value are recognized in the Statement of Profit and loss. Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and loss

**f. Equity Investments**

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other comprehensive income. There is no recycling of the amounts from Other comprehensive income to Statement of Profit & Loss, even on sale of investment. The Company may transfer the cumulative gain or loss within equity. However, company can amortize investment in equity shares of subsidiary company at cost in accordance with Ind As-27.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

**g. Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

**h. Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

In case of trade receivables, the company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

**2.2.4.2 Financial Liability**

***Initial recognition and measurement***

Financial liabilities are classified and measure, at initial recognition, at fair value (i.e., net of directly attributable transaction costs. The Company's financial liabilities include borrowings, trade and other payables.

***Subsequent measurement***

The measurement of financial liabilities depends on their classification, as described below:

**a. Financial liabilities at amortized cost**

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the EIR method. Gains and losses are in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

included in finance costs in the Statement of Profit and Loss. This category generally applies to trade payables and other contractual liabilities.

**b. Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

**c. De-recognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

**2.2.5 Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**2.2.6 Provisions and contingent liabilities and contingent asset**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

#### **Contingent Liabilities**

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each Balance Sheet date and are adjusted to reflect the current management estimate.

#### **Contingent assets**

Contingent assets are not recognized but disclosed in the Financial Statements when an inflow of economic benefits is probable.

### **2.2.7 Revenue**

Revenue is recognized upon transfer of control of promised goods or services to customers. Revenue is measured at the fair value of the consideration received or receivable, excluding discounts, incentives, performance bonuses, price concessions, amounts collected on behalf of third parties, or other similar items, if any, as specified in the contract with the customer. Revenue from bundled contracts is recognized separately for each performance obligation based on stand-alone selling price. Revenue is recorded provided the recovery of consideration is probable and determinable.

Revenues from sale of services comprise income from container handling, storage and transportation services provided to customers. Revenue from handling, storage and transport services are recognized on completion of services i.e., when services are performed or delivered, as per the contracts entered with the customers provided the consideration is reliably determinable and no significant uncertainty exists regarding collection of the consideration.

Revenue from terminal access service is recognized on completion of access services provided to rail operators for loading/unloading of the containers

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable

#### **(a) Contract assets**

A Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the establishment performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized from the earned consideration that is conditional. The contract assets are transferred to receivable when the rights become unconditional.

#### **(b) Contract liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract.

**Notes to Financial Statements for the year ended March 31, 2023**

---

## **2.2.8 Employee Benefits**

### **2.2.8.1 Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages, bonus, etc. are recognized in the Statement of Profit and Loss in the period in which the employee renders the related services. Such obligations are measured on an undiscounted basis.

### **2.2.8.2 Post Employment Benefit**

#### **Defined contribution plan**

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into separate entities and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognized as an employee benefits expense in Statement of profit and loss in the period during which services are rendered by employees.

The Company pays fixed contribution to Provident Fund at predetermined rates to regional provident fund commissioner. The contributions to the fund for the year are recognized as expense and are charged to the Statement of Profit & Loss.

#### **Defined benefit plan**

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's liability towards gratuity is in the nature of defined benefit plans.

The Company's net obligation in respect of defined benefit plan is calculated separately by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognized asset is limited to the total of any unrecognized past service costs. Any actuarial gains or losses are recognized in OCI in the period in which they arise.

### **2.2.8.3 Other long term employee benefits**

Benefits under the Company's compensated absences constitute other long term employee benefit.

Cost of long-term benefit by way of accumulating compensated absences arising during the tenure of the service is calculated taking into account the pattern of availment of leave. In respect of encashment of leave, the defined benefit is calculated taking into account all types of decrements and qualifying salary projected up to the assumed date of encashment. The present value of obligations under such long-term benefit plan is determined based on actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method as at period end.

## **2.2.9 Impairment of non-financial assets**

**Pristine Malwa Logistics Park Private Limited**

**CIN: U63000DL2012PTC242966**

**3rd Floor, Wing-B, Commercial Plaza, Radisson Hotel, NH-8, Mahipalpur, New Delhi-110037**

**Notes to Financial Statements for the year ended March 31, 2023**

---

The Company's non-financial assets, other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For assets that are not yet available for use, the recoverable amount is estimated at each reporting date.

The recoverable amount of an asset or cash-generating unit is the higher of its fair value less costs to disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit", or "CGU").

An impairment loss is recognized if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognized in Statement of Profit and Loss. Impairment losses recognized in respect of CGUs are reduced from the carrying amounts of the assets of the CGU.

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

#### **2.2.10 Income Tax**

Income tax expense comprises current and deferred tax. Current tax expense is recognized in the Statement of Profit and loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

Deferred tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Additional income taxes that arise from the distribution of dividends are recognized at the same time that the liability to pay the related dividend is recognized.

Minimum Alternative Tax (MAT) under the provisions of Income Tax Act, 1961 is recognized as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognized as deferred tax assets only to the extent it is probable that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. MAT

**Notes to Financial Statements for the year ended March 31, 2023**

---

credit recognized as deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

#### **2.2.11 Earnings per share**

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

#### **2.2.12 Foreign currency transactions**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Foreign exchange gains and losses resulting from the settlement of such transactions are generally recognized in Statement of Profit or Loss.

#### **2.2.13 Financial Guarantee Contracts**

Financial Guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss if it incurs because the specified borrower fails to make a payment when due in accordance with the terms of debt instrument. Financial Guarantee contract are recognized initially as a liability at fair value, adjusted for transactions cost that directly attributable to the insurance of the guarantee. Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

#### **2.2.14 Borrowing costs**

Borrowing cost directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

#### **2.2.15 Capital work-in-progress**

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

**Notes to Financial Statements for the year ended March 31, 2023**

---

**2.2.16 Write-off**

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**2.2.17 Events occurring after the balance sheet date**

Based on the nature of the event, the Company identifies the events occurring between the balance sheet date and the date on which the financial information is approved as 'Adjusting Event' and 'Non-adjusting event'. Adjustments to assets and liabilities are made for events occurring after the balance sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the balance sheet date or because of statutory requirements or because of their special nature. For non-adjusting events, the Company may provide a disclosure in the financial information considering the nature of the transaction.

**(a) Disaggregated revenue information**

The Company has performed a disaggregated analysis of revenues considering the nature, amount, timing and uncertainty of revenues. This includes disclosure of revenues by geography and timing of recognition.

**Performance obligations**

Information about the Company's performance obligations are summarised below:

Revenue is recognised upon transfer of control of promised goods or services to customers.

**Revenue by time**

Revenue recognised at point in time

**Total**

Year ended March 31, 2023	Year ended March 31, 2022
13.00	-
<b>13.00</b>	<b>-</b>

**(b) Revenue recognised in relation to contract liabilities**

Ind AS 115 also requires disclosure of 'revenue recognised in the reporting year that was included in the contract liability balance at the beginning of the year' same has been disclosed below:

Revenue recognized in the reporting year that was included in the contract liability

**Contract Balances**

13.00

The contract liabilities primarily relate to the advance consideration received from customers for which revenue is recognized when the performance obligation is over. Advance collection is recognised when payment is received before the related performance obligation is satisfied. This includes advances received from the customer towards providing of services. Revenue is recognised once the performance obligation is met i.e. on completion of services.

Contract assets represents write to receive consideration from sale of services delivered but not billed.

**(c) Contract balances**

**Notes to the financial statements for the year ended March 31, 2023***(All amounts in lakhs of ₹, except share data and as stated otherwise)***22. Ratio Analysis (Cont'd)****h. Net capital turnover ratio= Net sales divided by working capital**

	Year ended March 31, 2023	Year ended March 31, 2022
Sale of services (net)	-	-
Working Capital	(386.62)	(20.56)
<b>Ratio</b>	-	-
<b>% change from previous year</b>	<b>0.00%</b>	

Reason for change more than 25% : Not applicable

**i. Net profit turnover ratio= Net profit after tax divided by Net sales**

	Year ended March 31, 2023	Year ended March 31, 2022
(Loss) after tax	(357.69)	(2.34)
Sale of services (Net sales)	-	-
<b>Ratio</b>	-	-
<b>% change from previous year/ year</b>	<b>0.00%</b>	

Reason for change more than 25% : Not applicable

**j. Return on Capital employed = Earnings before interest and taxes(EBIT) divided by Capital Employed**

	Year ended March 31, 2023	Year ended March 31, 2022
(Loss) before tax	(357.69)	(2.34)
Add: finance costs	328.70	-
<b>Earnings before interest and taxes(EBIT)</b>	<b>(28.99)</b>	<b>(2.34)</b>
Tangible Net worth(total assets- total liabilities- Intangible assets)	6,128.70	(13.61)
Total debt (excluding lease liabilities)	353.73	253.73
<b>Capital Employed</b>	<b>6,482.43</b>	<b>240.12</b>
<b>Ratio</b>	<b>(0.00)</b>	<b>(0.01)</b>
<b>% change from previous year</b>	<b>-54.10%</b>	

Reason for change more than 25% : The ratio has increased from 0.01 to 0.00 due to Decrease in EBIT and increase in negative net worth.

**23 Disclosure in respect of Indian Accounting standard (Ind AS)-108: "Operating Segments"**

The Company is set-up with the object of, inter-alia, rendering end to end logistic solutions to the customers. This is the only activity performed and is thus also the main source of risks and returns. Accordingly, the Company's activities/business is reviewed regularly by the Board of Director of the Company from an over all business perspective. Thus, the Company has only one operating segment, and no reportable segments in accordance with Ind AS 108. Further, the operations of the Company are domiciled in India and therefore there are no reportable geographical segment.

**Major Customer**

There is one customers accounts for 100.00% approximately (March 31, 2022 Nil) of Company's total revenue from operation individually contributing more than 10% of total revenue.

**24 Fair Value Measurement**

The carrying value of financial instruments by categories as at March 31, 2023 and March 31, 2022 is as follows:

Financial assets/financial liabilities	Refer note	Non-current		Current	
		As at	As at	As at	As at
		March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
<b>Financial assets measured at amortised cost</b>					
Investment	4	6,500.00	-	-	-
Cash and cash equivalents	7	-	-	12.70	76.10
Others financial assets	8	-	-	-	100.00
<b>Total</b>		<b>6,500.00</b>	<b>-</b>	<b>12.70</b>	<b>176.10</b>
<b>Financial liabilities measured at amortised cost</b>					
Borrowings	13	-	-	353.73	253.73
Trade payables	14	-	-	110.54	0.62
<b>Total</b>		<b>-</b>	<b>-</b>	<b>464.27</b>	<b>254.35</b>

**Financial instruments carried at amortised cost:**

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Financial Statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

**25 Financial risk management**

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**Risk Management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors of the Company identifies and analyse the risks, to set appropriate risk limits and controls and to monitor risks and adherence to limits.

**(a) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from trade receivables, loans and advances, cash and cash equivalents and deposits with banks and other financial assets. The carrying amount of the financial assets represents maximum credit exposure.

**25 Financial risk management (Cont'd)****(b) Market Risk**

Market risk is the risk that future cash flows of a financial instruments will fluctuate because of change in market price. Market comprises two types of risk namely: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

**(i) Currency risk:**

Foreign currency risk is the risk that the fair value of the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company transacts business in local currency. Accordingly, the Company does not have any exposure to foreign currency risk at the end of the reporting period.

**(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's borrowings are at fixed rate. Accordingly, the Company is not exposed to interest rate risk.

**(c) Liquidity Risk**

The Company's principal sources of liquidity are cash and cash equivalents. The Company manages its liquidity needs by continuously monitoring cash inflows and by maintaining adequate cash and cash equivalents. Net cash requirements are compared to available cash in order to determine any shortfalls.

The Company maintain a sufficient balance in cash and cash equivalents to meet its short term liquidity requirements. The Company assesses its long term liquidity requirements on a periodical basis and manage them through internal accruals.

The table below provides details regarding the contractual maturities of non-derivative financial liabilities. The table have been drawn up based on the undisclosed cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

	Less than 1 year	Between 1 to 5 years	Over 5 years	Total	Carrying value
<b>As at March 31, 2023</b>					
Borrowings (refer note 13)	353.73	-	-	<b>353.73</b>	353.73
Trade payables (refer note 14)	110.54	-	-	<b>110.54</b>	110.54
<b>Total</b>	<b>464.27</b>	-	-	<b>464.27</b>	<b>464.27</b>
<b>As at March 31, 2022</b>					
Borrowings (refer note 13)	253.73	-	-	<b>253.73</b>	253.73
Trade payables (refer note 14)	0.62	-	-	<b>0.62</b>	0.62
<b>Total</b>	<b>254.35</b>	-	-	<b>254.35</b>	<b>254.35</b>

**26 Capital Management**

The Company's objectives when managing capital is to safeguard its ability to continue as a going concern (so that it is enabled to provide returns and create value for its shareholders, and benefits for other stakeholders), support business stability and growth, ensure adherence to the covenants and restrictions imposed by lenders and / or relevant laws and regulations, and maintain an optimal and efficient capital structure so as to reduce the cost of capital. However, the key objective of the Company's capital management is to, ensure that it maintains a stable capital structure with the focus on total equity, uphold investor, creditor and customer confidence, and ensure future development of its business activities. In order to maintain or adjust the capital structure, the Company may issue new shares, declare dividends, return capital to shareholders, etc.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.

The Company monitors capital using a gearing ratio calculated as below:

	As at March 31, 2023	As at March 31, 2022
Non-current borrowings	-	-
Current borrowings (refer note 13)	353.73	253.73
<b>Total debt (A)</b>	<b>353.73</b>	<b>253.73</b>
Equity	6,128.70	(13.61)
<b>Total capital (B)</b>	<b>6,128.70</b>	<b>(13.61)</b>
<b>Capital and Net Debt (A)+(B)</b>	<b>6,482.43</b>	<b>240.12</b>
<b>Gearing Ratio (A)/(B)</b>	<b>0.06</b>	<b>(18.64)</b>

27 The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stake holders which are under active consideration by the Ministry. Based on an initial assessment by the Company, the additional impact on Provident Fund contributions by the Company is not expected to be material, whereas, the likely additional impact on Gratuity liability/ contributions by the Company and its Indian subsidiaries could be material. The Company will complete its evaluation once the subject rules are notified and will give appropriate impact in the financial results in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

28 **Reconciliation of liabilities whose cash flow movements are disclosed as part of financing activities in the statement of cash flows:**

	<u>Current</u> <u>borrowings</u>
<b>As at April 01, 2021</b>	<b>18.73</b>
Proceeds from borrowings	235.02
Repayments from borrowings	(0.02)
