Independent Auditors' Report

To the Members of SICAL LOGISTICS LIMITED

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of **SICAL LOGISTICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive loss, the changes in equity and cash flows for the year ended as on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- We refer to Note No.37 to the Standalone Financial Statements. The resolution plan submitted by M/S Pristine Malwa Logistics Park Private Limited was approved by the Honourable NCLT, Chennai Bench vide its order dated December 8, 2022 and the effective date of implementation of the resolution plan was declared as Jan 11, 2023. The

implementation of the above resolution plan is under progress. Pursuant to the infusion of funds as per the approved resolution plan, the Company became a subsidiary of M/s Pristine Malwa Logistics Park Private Limited and the Standalone Financial Statements have been prepared and presented by the Company on a Going Concern basis.

- b. The Management has given effect to the resolution plan approved by NCLT whereby certain liabilities were derecognised and assets were impaired or provided for based on management assessment of its recoverability. Pursuant to this, net exceptional loss of Rs.74,403 lakhs were recognised for the year ended March 31, 2023. (Refer Note No.25 to the Standalone Financial Statements.)
- c. The balances as per the Standalone Financial Statements has been arrived at as per the claims made by the financial creditors and admitted by the Resolution Professional and approved by the NCLT and after giving effect as per the approved Resolution Plan and reduced by the payments made as per the Resolution Plan. (Refer Note No.13.1 to the Standalone Financial Statements.)

Our opinion is not modified in respect of the above matters.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

<u>Implementation of Resolution Plan:</u>	<u>Audit Procedure:</u>
<p>Refer Note No 37 to the Standalone Financial Statements for the details regarding commencement of implementation of the resolution plan and for impact of the resolution plan on the Company pursuant to the Corporate Insolvency Resolution Process ("CIRP") under Insolvency and Bankruptcy Code, 2016.</p> <p>The determination of carrying amount of liabilities to give effect of resolution plan, comprehending the provisions of the Resolution Plan and determining the appropriateness of the accounting treatment thereof, more particularly the accounting treatment of derecognition of liabilities and outstanding trading dues & its related provisions and impairment of various assets, required significant judgment and estimates. Accounting for the effects of the resolution plan is considered by us to be a matter of most</p>	<p>We have performed the following procedures to determine whether the effect of Resolution Plan has been appropriately recognised in the financial statements:</p> <ul style="list-style-type: none"> • We have reviewed the terms and conditions stipulated by the Hon'ble NCLT in the Resolution Plan • Reviewed management's process for review and commencement of implementation of the Resolution Plan. • Reviewed the provisions of the Resolution Plan to understand the requirements of the said Plan and evaluated the possible impact of the same on the financial statements. • Verified the underlying documents supporting the receipt and payment of funds as per the Resolution Plan. • Tested the related disclosures made in notes to the financial statements in

<p>significance due to its importance to intended users' understanding of the financial statements as a whole and materiality thereof.</p> <p>The Company was a party to certain litigations. Pursuant to the approval of the Resolution Plan, it was determined that no amounts are payable in respect of those litigations upto the effective date viz Jan 11, 2023, as they stand extinguished. The estimates related to expected outcome of litigations and recoverability of payments made in respect thereof have high degree of inherent uncertainty due to insufficient judicial precedents in India in respect of disposal of litigations involving companies admitted to Corporate Insolvency Resolution Process</p>	<p>respect of the implementation of the resolution plan.</p> <ul style="list-style-type: none"> Assessed management's estimate of recoverability.
<p><u>Contingent Liability</u></p> <p>According to the information and explanations given to us and as confirmed by the Company, in view of the implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal, all pending litigations relating to pre-CIRP period are deemed to be extinguished as at January 11, 2023, i.e. the date of implementation of the approved resolution plan (except bank guarantees as per approved resolution plan). Accordingly, there are no dues of income tax, sales tax, service tax, excise duty, value added tax and goods and service tax which have not been deposited as at March 31, 2023 on account of dispute.</p> <p>(Refer Note No.26 to the Standalone Financial Statements.)</p>	<p><u>Audit Procedure</u></p> <p>The Audit addressed this Key Audit Matter by;</p> <ul style="list-style-type: none"> Assessing the adequacy of tax Provisions by reviewing correspondence with tax Authorities. Discussing significant litigations and claims with the Company's Internal Legal Counsel. Reviewing previous judgments made by relevant tax Authorities and opinions given by Company's advisors & Assessing the reliability of the past estimates of the management. <p>Our Audit Procedures did not identify any material exceptions</p>

Information other than the Standalone Financial Statements and Auditors' Report thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

In connection with our audit of the Standalone Financial Statements, our responsibility is to also read the management discussion & analysis and MD & CEO message when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the management discussion & analysis and MD & CEO message, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in

evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act,
- (e) On the basis of the written representations received from the directors as on March 31, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The remuneration paid by the Company to its directors during the year upto Jan 11, 2023 (effective date) is treated as Salary Payable to Employee in view of the Company undergoing CIRP. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Company to its directors from the effective date is in accordance with the provisions of section 197 read with Schedule V to the Act

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements as referred to in Note No. 26 to the Standalone Financial Statements.
- ii. The Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company for year ended March 31, 2023.
- iv. a) Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(is), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note No.39(n) to the Standalone Financial Statements)

(b) Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note No.39(n) to the Standalone Financial Statements) , and

(c) Based on the audit procedures adopted by us, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub clause (a) and (b) above, contain any material misstatement.

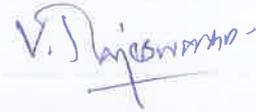

- v. The Company has not declared or paid any Dividend during the year.

- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, clause (i)(d) of Para 3 of the Order is not applicable.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding Benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- ii. (a) As per the information and explanations given to us and based on the records examined by us, physical verification of inventory was conducted once during the year and no discrepancies were noticed on such verification.
- (b) According to the records of the Company and information and explanations given to us, the Company has not been sanctioned working capital limits in excess of Rs Five crore, in aggregate from banks or financial institutions on the basis of security of current assets during the year. In respect of loans sanctioned during earlier years, the quarterly returns or statements have not been filed by the Company with the banks from the date of initiation of CIRP. (Refer Note No 13.1.(h) to the Standalone Financial Statements)
- iii. (a) In our opinion and according to the explanations given to us, during the year the company has provided loans or advances in the nature of loans, or stood guarantee, or provided security to its subsidiary companies as indicated below-

(A)

(Rs.in Lakhs)

To whom	Type (Loan/Advance/ Guarantee /Security)	Aggregate amount given during the year	Balance Outstanding as at the Balance Sheet Date
Sical Supply Chain Solutions Limited	Advances	-	0.07
Sical Infra Assets Limited	Advances	-	3.76
Sical Multimodal and Rail Transport Limited	Advances	-	56.76
Develecto Mining Limited	Advances	48	315.91
Patchems Private Limited	Advances	-	1.43
Sical Multimodal and Rail Transport Limited	Bank Guarantee	-	2,288

- (b) In our opinion and according to the explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the Company's interest.
- (c) In our opinion and according to the explanations given to us in respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has not been stipulated.
- (d) In our opinion and according to the explanations given to us in respect of loans and advances in the nature of loans, as the repayment terms are not stipulated, we are unable to comment on whether it is overdue for a period of more than 90 days.
- (e) In our opinion and according to the explanations given to us, as the repayment terms are not stipulated, we are unable to comment on whether loans or advance in the nature of loan granted, which has fallen due during the year, has been renewed or extended or fresh loans have been granted to settle the overdues of existing loans given to the same parties.
- (f) In our opinion and according to the explanations given to us, the company has granted loans or advances in the nature of loans without specifying any terms or period of repayment to the following:

- iv. In our opinion and according to the information and explanation given to us, the company has not provided any Loans, made Investments, or provided Guarantees and Security as specified under Section 185 and Section 186 of the Companies Act, 2013. Hence, reporting under clause (iv) of the Order is not applicable.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and rules framed there under, and hence reporting under clause (iv) of the Order are not applicable
- vi. In our opinion and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for any of the products/services manufactured/rendered by the Company.
- vii. In respect of statutory dues (Refer Note No 37 to Standalone Financial Statements)
- a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value-added tax, Goods and service tax, cess and any other statutory dues with the appropriate authorities.

There are no undisputed statutory dues outstanding as on 31st March 2023 for more than six months from the date they became payable except Rs.1,462 lakhs, which pertains to the period prior to CIRP Initiation date (10th March 2021). According to

the information and explanations given to us and as confirmed by the Company, in view of the implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal, except to the extent of payment to the stakeholders as per the approved Resolution Plan, the Company shall have no liability with respect to any claims relating in any manner to the period prior to CIRP initiation date/ Accordingly, all other pending litigations relating to pre-CIRP period are deemed to be extinguished as at January 11, 2023, i.e. the date of implementation of the approved resolution plan. There are no dues of income tax, sales tax, service tax, excise duty, value added tax and goods and service tax which have not been deposited as at March 31, 2023 on account of dispute.

- b) According to the information and explanations given to us and as confirmed by the Company, in view of the implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal, all pending litigations relating to pre-CIRP period are deemed to be extinguished as at January 11, 2023, i.e. the date of implementation of the approved resolution plan. Accordingly, there are no dues of income tax, sales tax, service tax, excise duty, value added tax and goods and service tax which have not been deposited as at March 31, 2023 on account of dispute
- viii. According to the information and explanations given to us and on the basis of records of the Company examined by us, in our opinion, the Company has no transactions that has not been recorded in the books of account and no unrecorded income was disclosed or surrendered as income during the year in the Tax assessments under the Income Tax, 1961. Accordingly, clause (viii) of Para 3 of the Order is not applicable.
- ix. (a) According to the information and explanations given to us and based on the records examined by us, the Company has defaulted in repayment of dues to banks and financial institutions till Jan 11, 2023. However, pursuant to the implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal, the Company has started repayment in respect of loans from banks, financial institutions as per the approved Resolution Plan.
- (b) According to the information and explanations given to us and having regard to the fact of implementation of resolution plan approved by NCLT is under process, we report that during the year, the Company has not been declared a wilful defaulter by any banks or financial institutions or any other lender. (Refer Note No.39(j) of the Standalone Financial Statements)
- (c) According to the records of the Company and information and explanations given to us, no term loans were obtained during the year. Accordingly, reporting under clause ix(c) of Para 3 of the Order is not applicable.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that the Company has not raised funds on a short-term basis.
- (e) In our opinion, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, clause ix(e) of Para 3 of the Order is not applicable.

- (f) In our opinion, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, clause ix(f) of Para 3 of the Order is not applicable.
- x. (a) To the best of our knowledge and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Accordingly, reporting under clause (x(a)) of the Order is not applicable.
- (b) During the year, the Company has made preferential allotment of 6,19,86,626 Equity Shares of Rs. 10/- each at Rs.287.57 per Equity Share on Preferential basis to the Resolution Applicants (classified under Promoter/Promoter Group) in accordance with the provisions of the approved Resolution Plan vide Order dated December 8, 2022 passed by NCLT (Refer Note No.11 to the Standalone Financial Statements) and hence provisions of the Companies Act, 2013, Companies (Prospectus and Allotment of Securities) Rules, 2014 are not applicable. On an overall examination of the balance sheet, the funds raised have been used for the purposes for which the funds were raised
- xi. a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. In our opinion, the Company is not a Nidhi Company. Accordingly, clause xii(a), xii(b), xii(c) of Para 3 of the Order is not applicable.
- xiii. In our opinion and according to the information and explanation given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Standalone Financial Statements, as required by the applicable accounting standards.

xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system but it is not commensurate with the size and nature of its business. During the year, the audit was conducted for one division only which was operational during the year.

(b) In our opinion and according to the information and explanation given to us, the reports of the Internal Auditors for one division which was operational during the year were considered for the period under audit.

xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non - cash transactions with directors or persons connected with the Directors. Accordingly, clause (xv) of Para 3 of the Order is not applicable.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial activities or housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanation provided by the Management of the Company, the Group does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the Management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

xvii. In our opinion and according to the information and explanations given to us the Company has not incurred cash losses in the financial year, but has incurred cash losses in the immediately preceding financial year as under:

Financial Year	Amount of Cash losses (Rs in lakhs)
2021-22	(3,143)

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause (xviii) of Para 3 of the Order is not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note No. 40 to the Standalone Financial Statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, taking into consideration

implementation of resolution plan by resolution applicants till date and our knowledge of the Board of Directors and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date will get discharged by the Company as and when they fall due.

- xx. According to the information and explanations given to us and on the basis of our audit procedures, The Corporate Social Responsibility (CSR) contribution under section 135 of the Act is not applicable to the Company. Therefore, the provisions of clause (xx) (a) & (b) of para 3 of the Order are not applicable to the Company. (Refer Note No.39(c) to the Standalone Financial Statements).
- xxi. The reporting under clause (xxi) of Para 3 of the Order is not applicable in respect of audit of standalone financial statements.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s SICAL LOGISTICS LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Sical Logistics Limited

Notes to the accounts

For the year ended 31 March 2023

1 Company overview and Significant Accounting Policies

Company overview

- 1.1 Sical Logistics Limited ('Sical') founded in 1955 is a leading integrated multimodal logistics solutions provider. The Company is into every aspect of logistics namely port handling, road and rail transport, warehousing, shipping, stevedoring, customs handling, trucking, retail logistics, mining and integrated logistics.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Chennai, Tamilnadu. The Company has its equity shares listed on the BSE Limited and National Stock Exchange of India Limited [NSE] and its NCDs on the NSE.

The financial statements are approved for issue by the company's Board on 31st August 2023.

- 1.2 The Hon'ble National Company Law Tribunal ("NCLT"), Chennai Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by an operational creditor of SICAL LOGISTICS LIMITED ("the Company") and appointed Mr. Lakshmisubramanian (IBBI Registration no. IBBI/IPA-003/IP-N00232/2019-2020/12697) as Interim Resolution Professional ("IRP"), in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code") to manage the affairs of the Company vide CP No. IBA/73/2020 dated 10th March 2021. Pursuant to this, based on the application made by the Committee of Creditors of the Company, the Hon'ble NCLT has ordered appointment of Mr. Sripatham Venkatasubramanian Ramkumar (IBBI Registration No. IBBI/IPA-001/IP-P00015/2016-17/10039) as Resolution Professional ("RP") of the Company in disposing of IA no. IA/54/CHE/2021 in IBA/73/2020 on 2nd June 2021.

The resolution plan as submitted by Pristine Malwa Logistics Park Private Limited was approved by CoC was filed before Honourable NCLT Chennai Bench for their approval. The Hon'ble National Company Law Tribunal Chennai as required under section 30 & 31 of the Insolvency and Bankruptcy Code, 2016, approved the Resolution Plan vide the Order IA (IBC)/ 366 (CHE)/2022 in IBA/73/2020 along with IA(IBC)/102(CHE)/2022 in IBA/73/2020 dated 08 December 2022. As per the said Order, the Resolution Plan is binding on the corporate debtor and its employees, members, creditors, including the Central Government, any State Government or any local authority to whom a debt in respect of the payment of dues arising under any law for the time being in force, such as authorities to whom statutory dues are owed, guarantors and other stakeholders involved in the Resolution Plan.

11th January, 2023 was declared as the effective date for the implementation of the Resolution Plan by the Monitoring Committee upon fulfilment of certain conditions precedent by the successful Resolution Applicant (Pristine Malwa Logistics Park Private Limited) including infusing of initial funding.

1.3 Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.4 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ▶ Held primarily for the purpose of trading;
- ▶ Expected to be realised within twelve months after the reporting period; or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle;
- ▶ it is held primarily for the purpose of trading;
- ▶ It is due to be settled within twelve months after the reporting period; or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Notes to the accounts
For the year ended 31 March 2023

1 Company overview and Significant Accounting Policies

1.5 Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

(i) *Income taxes:* Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions.

(ii) *Property, plant and equipment:* Property, plant and equipment represent a significant proportion of the asset base of the company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

(iii) *Other estimates:* The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

1.6 Revenue recognition

Revenue is recognized on accrual method on rendering of services when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers". The effect on adoption of Ind AS 115 was insignificant. Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

To determine whether to recognise revenue from contracts with customers, the Company follows a 5-step process:

- 1 Identifying the contract with customer
- 2 Identifying the performance obligations
- 3 Determining the transaction price
- 4 Allocating the transaction price to the performance obligations
- 5 Recognising revenue when/as performance obligation(s) are satisfied.

A performance obligation is satisfied over time if one of the following criteria is met:

- (a) the customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs;
- (b) the entity's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced ; or
- (c) the entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

Revenues from sale of services comprise income from container handling, storage and transportation services provided to customers. Revenue from handling, storage and transport services are recognised on completion of services i.e. when services are performed or delivered, as per the contracts entered with the customers provided the consideration is reliably determinable and no significant uncertainty exists regarding collection of consideration.

Revenue from terminal access service is recognized on completion of access services provided to rail operators for loading/unloading of the containers
Revenue from rental income from lease of plant and equipment is recognised on accrual basis as per the contracted terms. The amount recognised as revenue is exclusive of tax and net of rerums.

(a) **Contract assets**

A Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the establishment performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised from the earned consideration that is conditional. The contract assets are transferred to receivable when the rights become unconditional. Payment terms are contractually agreed with the customers.

(b) **Contract liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Establishment has received consideration from the customer. If a customer pays consideration before the establishment transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Establishment performs under the contract.

1 Company overview and Significant Accounting Policies

1.7 Property, plant and equipment

Recognition and measurement: Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

Depreciation: The Company depreciates property, plant and equipment over the estimated useful life on a straight-line from the date the assets are ready for intended use. Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life and lease term. The estimated useful lives of assets for the current and comparative period of significant items of property, plant and equipment are as follows:

Asset Class	Dep Rate	Method	Useful Life (Years)
Buildings	3.34%	SLM	30
Workshop	33.34%	SLM	3
Furniture & Fixtures	10.00%	SLM	10
Office Equipment's	20.00%	SLM	5
EDP Equipment's	33.34%	SLM	3
Plant & Machinery	20.00%	SLM	5
Plant & Machinery	6.79%	SLM	14
Vehicles	12.50%	SLM	8

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

1.8 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

1.9 Foreign currency transactions and balances

Transactions in foreign currency are translated into the functional currency using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent on the date of transaction.

1.10 Financial instruments

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Loans and borrowings and payable are recognised net of directly attributable transactions costs.

(i) *Financial assets at amortised cost:*

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

1 Company overview and Significant Accounting Policies

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

(ii) Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI) :

Includes assets that are held within a business model where the objective is both collecting contractual cash flows and selling financial assets along with the contractual terms giving rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, the Company, based on its assessment, makes an irrevocable election to present in other comprehensive income the changes in the fair value of an investment in an equity instrument that is not held for trading. These elections are made on an instrument-by-instrument (i.e., share-by-share) basis. If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognized in other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. The dividends from such instruments are recognized in statement of profit and loss.

The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Company shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognized in other comprehensive income and shall not reduce the carrying amount of the financial asset in the balance sheet.

(iii) Financial assets at Fair Value Through Profit or Loss (FVTPL) : Financial assets at FVTPL include financial assets that are designated at FVTPL upon initial recognition and financial assets that are not measured at amortized cost or at fair value through other comprehensive income. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply. Assets in this category are measured at fair value with gains or losses recognized in statement of profit and loss. The fair value of financial assets in this category are determined by reference to active market transactions or using a valuation technique where no active market exists.

The loss allowance at each reporting period is evaluated based on the expected credit losses for next 12 months and credit risk exposure. The Company shall also measure the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. The loss allowance shall be recognized in the statement of profit and loss.

(iv) Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding book overdrafts that are repayable on demand, and are considered part of the Company's cash management system.

(v) *Financial liabilities at amortised cost*: Financial liabilities at amortised cost represented by trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

1.11 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

1 Company overview and Significant Accounting Policies

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company enters into certain derivative contracts such as interest rate swaps and currency swaps to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

1.12 Impairment

(i) *Financial assets:* In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

Lifetime ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

As a practical expedient, the Group uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss. This amount is reflected under the head other expenses in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the group does not reduce impairment allowance from the gross carrying amount.

b) *Non-financial assets:* The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and the recoverable. Losses are recognised in the statement of profit and loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through statement of profit and loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

1.13 Loss allowance for receivables and unbilled revenues

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The company considered current and anticipated future economic conditions relating to industries the company deals with. In calculating expected credit loss, the company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID -19.

1. Company overview and Significant Accounting Policies

1.14 Employee Benefit

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following employee benefit plans:

(a) *Gratuity*: In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the Life Insurance Corporation of India (LIC). The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method.

Actuarial gains or losses are recognized in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

Remeasurements comprising of actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

(b) *Compensated absences*: The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Company recognizes actuarial gains and losses immediately in the statement of profit and loss.

1.15 Provisions and contingencies

Provisions :

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Provision for onerous contracts:

The provision is recognised if, a contract in which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities :

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent assets :

Contingent assets are neither recognised nor disclosed. However, when realisation of income is virtually certain, related asset is recognised.

1.16 Inventories

Inventories are valued at the lower of cost and net realisable value.

Cost of raw materials includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

1.17 Finance income and expense

Finance income consists of interest income on funds invested. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

1 Company overview and Significant Accounting Policies

1.18 Income tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

(a) *Current income tax:* Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

(b) *Deferred income tax:* Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

1.19 Earnings per share (EPS)

Basic EPS is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the profit attributable to the equity shareholders (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of equity shares considered for deriving basic EPS plus the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares into equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

1.20 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.21 Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

The Company's lease asset classes primarily consist of leases for building and vehicles. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

1 Company overview and Significant Accounting Policies

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

1.22 Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future operating cash receipt or payments, and items of income or expenses associated with investing or financing cash flows. In the cash flow statement, cash and cash equivalents includes cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with original maturities of 3 months or less, as applicable.

2 Recent accounting pronouncements and other Latest regulatory updates

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

	Joint Ventures (unquoted)		
	- PSA Sical Terminals Ltd - Nil Shares (PY-56,25,030 Shares) of Rs. 10/- each fully paid up***	-	654
	Less: Allowances for impairment in the value of investments	(250)	(711)
		20,421	21,331
	Aggregate book value of quoted investments	-	-
	Aggregate value of unquoted investments	20,421	21,331

The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.

** The Company has created provision for the investment in Sical Logixpress Private Limited to the tune of Rs. 711 Lakhs on 30-September-2021. Further, the Company has created impairment allowance for Sical Iron Ore Terminal (Mangalore) Ltd during the current year to the tune of Rs. 250 lakhs, considering the financial position of the subsidiary. Further more, the company is non-operating and its licence was cancelled.

*** The Company has derecognised the investments in these entities on the effective date pursuant to the approved resolution plan. These investments must be transferred to the trust formed by the Committee of Creditors for the purpose of managing these entities. As at the balance sheet date the trust was not formed due to administrative reasons and hence the regulatory procedures w.r.to transfer of these entities were not completed.

	1,439	6,054

*A bank account with balance of Rs. 927 lakhs as at 31 March 2023 and the entire deposit with original maturity less than 3 months has been earmarked for the purpose of disbursement of funds to the creditors of the Company as per the resolution order. The same is controlled and operated by the Resolution Professional.

Note: Fixed deposits with original maturity period of less than 3 months are classified as "Cash and cash equivalents" and fixed deposits with original maturity period of greater than 3 months, but with a maturity date of less than 12 months from balance sheet date are classified as "Other bank balances." These margin money deposits are given as lien to obtain bank guarantees. These bank guarantees are issued to customers as collateral for execution of contracts.

* An amount of INR 565 Lakhs has been recovered from the Margin Money held in current account by IndusInd Bank towards the loan repayment post commencement of CIRP. The Resolution Professional was of the opinion that the said recovery is in violation of the provisions of the Insolvency and Bankruptcy Code ("Code") as no debits can be made from the current accounts of the Corporate Debtor without express authorisation of Interim Resolution Professional / Resolution Professional and all liabilities as at CIRP commencement date has to be claimed by the Financial creditor as per provisions of the code. Necessary steps are being taken for reversal of the said amounts recovered by IndusInd Bank to the current account of the Company.

The existing issued, subscribed and paid-up equity share capital of the Company shall be increased from Rs.58,52,02,640 divided into 5,85,20,264 equity shares of Rs.10/- each to Rs.65,24,90,800 divided into 6,52,49,080 equity shares of Rs.10/- each. The Paid up capital of the Company after implementation of all the Corporate actions as per approved Resolution plan for the Company is Rs.65,24,90,800/- (Comprising of 6,52,49,080 Equity shares of Rs.10/-each).

As per Clause 18 of the Order of the Honourable NCLT, Chennai Bench, provides for Complete extinguishment of the erstwhile promoters shareholdings, reduction and reconstitution of the share capital of the shares held by the public to remain at 5% of the post-paid up share capital of the Company after allotting shares to the successful Resolution Applicant which shall be at 95%. Accordingly, after obtaining the in-principle approval from the stock exchanges, on 26th February, 2023, the shares of the erstwhile promoters were cancelled, the reduced shares at the ratio of 1 for every 15 share held by the public were allotted to fresh distinctive numbers amounting to Rs. 32,62,454 being 5% of the paid-up capital and 6,19,86,626 shares to the successful resolution applicant being 95% of the paid-up share capital of the Company.

The shares allotted to the successful resolution applicant was at a price of Rs.287.57 per share.

There was a capital reduction effected during the year in addition to issue of fresh shares to the Resolution applicant as per the approved Resolution Plan.

PART I - BALANCE SHEET

Note 11 Share capital (contd.)

(i) The rights, preferences and restrictions attaching to each class of shares including restrictions on the distribution of dividends and the repayment of capital:

The Company has one class of equity shares having a par value of Rs 10 per share. Each shareholder is eligible for one vote per share held. The dividend, if any, proposed by the Board of Directors shall be subject to the approval of the Shareholders at the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts if any, in proportion to their shareholding.

(ii) Details of shares held by the Promoters:

Particulars	Equity shares with voting rights
	Number of shares
As at 31 March 2022	
Tanglin Retail Reality Developments Private Limited, holding and promoter company	62,76,031
As at 31 March 2023	
Pristine Malwa Logistics Park Private Limited (Holding and Promoter Company)	6,19,86,626

(iii) Details of shares held by each shareholder holding more than 5% shares:

Class of shares / Name of shareholder	As at 31 March 2023			As at 31 March 2022		
	Number of shares held	% holding in that class of shares	% Change	Number of shares held	% holding in that class of shares	% Change
Equity shares with voting rights						
Pristine Malwa Logistics Park Private Limited (Pristine)	6,19,86,626	95.00%	100.00%	Nil	Nil	0.00%
Tanglin Retail Reality Developments Private Limited	Nil	Nil	-100.00%	62,76,031	10.72%	60.79%

As per Rule 19A(5) of Securities Contract (Regulation) Rules 1957, a listed company which was taken over by another company in a resolution plan is permitted to have more than 75% held by the promoters group subject to the conditions that the public holding to be brought up to 10% within a period of 18 months and the promoter group's holding to be brought down to a maximum of 75% within a period of 3 years. The Company is in the process of making necessary plans to comply with the requirement within the stipulated time.

(iv) Details of forfeited shares

Class of shares	As at 31 March 2023		As at 31 March 2022	
	Number of shares	Amount originally paid up (Rs)	Number of shares	Amount originally paid up (Rs)
Equity shares with voting rights	-	-	36,098	1,80,490

(v) The Company has not allotted any fully paid up equity shares by way of bonus shares nor has bought back any class of equity shares during the period of five years immediately preceding the balance sheet date nor has issued shares for consideration other than cash except for allotment of shares to the resolution applicant as detailed in note 37.

(vi) There are no shares for which calls remain unpaid.

(vii) Capital management policies and procedures

The Company's capital management objectives are:

- to safeguard the Company's ability to continue as a going concern, and continue to provide optimum returns to the shareholders and all other stakeholders by building a strong capital base.

- to maintain an optimum capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the return capital to shareholders, issue new shares, or sell investments / other assets to reduce debt.

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders plus its borrowings and cash credit facility, if any, less cash and cash equivalents as presented on the face of the balance sheet. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. The amounts managed as capital by the Company for the reporting years are summarized as follows:

		As at 31 March 2023	As at 31 March 2022
Borrowings		38,205	83,271
Cash and bank balances		7,405	7,096
Net debt	(A)	30,800	76,175
Total equity	(B)	11,815	(87,533)
Overall financing	(A+B)	42,615	(11,358)
Gearing ratio	(A/(A+B))	72%	-671%

The Company's gearing ratio has improved as the liabilities were written-back during the year as per the approved resolution plan resulting in positive network.

Balance as on 31 March 2023						

* The Company has issued redeemable non-convertible debentures during the year 2016. Accordingly, the Companies (Share capital and Debentures) Rules, 2014 (as amended), require the Company to create DRR out of profits of the company available for payment of dividend. DRR is required to be created for an amount which is equal to 25% of the value of debentures issued over the life of debentures.

Since, DRR to the tune of Rs. 2,500 lakh, being 25% of the NCDs, have been created as of 31 March 2018, no additional DRR has been created during the financial year FY 2018-19, 2019-20, 2020-21 & 2021-22. The NCDs were due for redemption on 25 Jun 2021. However, since the company could not service these semiannual interest due on Dec-19, Jun-20 and Dec-20, the sole debenture holder IDFC Bank Ltd. had made a call option to pay the entire outstanding amount alongwith interest. CIRP was initiated by the Hon'ble NCLT Chennai Bench and accordingly the debenture holders preferred a claim before the IRP/RP as per the IBC Regulations.

The debenture redemption reserve existing as at the beginning of the financial year has been transferred to the retained earnings during the year as the underlying liability towards debentures is replaced by the liability towards financial creditors as determined under the approved resolution plan.

**As per the resolution plan the total assigned debt to the successful Resolution Applicant viz. Pristine Malwa Logistics Park Private Limited is Rs. 17,17,54,92,510 and the consideration paid through bank transfer is Rs. 65,00,00,000, the same totals to a total consideration of Rs. 17,82,54,92,510 against 6,19,86,626 shares of Rs. 10 each resulting in securities premium of Rs. 17,20,56,26,250.

*** Pursuant to the approved resolution plan, the share capital of the erstwhile promoters were completely extinguished and the shares held by the public shareholders were reduced and reconstituted so as to constitute 5% of the post-paid up capital of the Company after issue of shares to the successful Resolution Applicant.

(a) Securities premium comprises of the amount of share issue price received over and above the face value of ₹ 10 each.

(b) General reserve represents an appropriation of profits by the Company.

(c) Represents remeasurement of defined benefit liability which comprises of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability.

(d) Retained earnings represents the amounts of accumulated earnings/losses of the Company.

	- from Banks	-	10,000
	Term loans		
	- from Banks	35,831	34,652
	- from Financial Institutions	2,374	5,503
	Total borrowings	38,205	50,155
	Current maturities of long-term debt		
	Current portion of the long-term debt to banks and financial institutions as per approved resolution plan	(5,105)	(50,155)
		(5,105)	(50,155)
	Non-current maturities of long-term debt	33,100	-
		33,100	-

Notes:

[a] The Company has not serviced debt on due dates to the banks and financial institutions and consequently the Company was classified as wilful defaulter by all the banks and financial institutions. The Corporate insolvency resolution process commenced consequent to the order of Hon'ble NCLT Chennai Bench and IRP/RP was appointed in terms of the orders. All the financial creditors made the claim with IRP/RP. Hence all the loans were classified as current liability in the previous year.

[b] Based on the public announcement made for commencement of CIRP, various creditors filed claims (including interest on delayed payment, penalty etc.) on the Company. These claims were submitted by financial and operational creditors (including past and present employees). As per the resolution order, the claims verified/submitted during this CIRP period were settled in accordance with the provisions of the Code.

[c] Interest on borrowings are provided till the CIRP initiation date i.e. 10th March 2021 for the period ended 31st March 2021 as all liabilities prior to CIRP initiation date are frozen as at CIRP commencement date and has been dealt with in accordance with the approved Resolution Plan.

[d] As per the approved resolution plan, revised agreement for final settled amount along with security details are yet to be signed with each of the financial creditors hence, the security details of these borrowings are not disclosed in the financial statements. Further, the modification to charges is yet to be completed with Registrar of Companies as detailed in note 3(a).

[e] As per the approved resolution plan, the restructured financial creditors balances are to be paid as per the below schedule:

S.No.	Period	Amount (in Rs. lakhs)	Instalments
1	Upfront Financial creditor debt payment Effective Date + 30 days	5,432	Single payment
2	Deferred Financial creditor debt payment Effective Date + 2 years	10,500	Quarterly Payment
3	Deferred Financial creditor debt payment Effective Date + 2 years and 6 months	22,600	Single payment

In addition to the above, the surplus cash balance of Rs. 4,101 lakhs is to be paid to the financial creditors along with the upfront debt payment mentioned in point 1 of above table.

[f] The upfront disbursement of the funds to the financial creditors were not made in full as at 31 March 2023 as one of the lenders viz RBL Bank Ltd has filed an Interim Application before the Honourable NCLT, Chennai Bench for staying the disbursement process due to disagreement in the manner of settlement. However, these funds have been transferred to the bank accounts earmarked for this purpose and no further liability exists with the Company.

[g] Interest to all the financial creditors shall be paid at the rate of 8% p.a. on the deferred payout with a moratorium of 1 year from the effective date.

[f] The Company has duly registered all the creation and satisfaction of the charges with the Registrar of Companies on or before the prescribed time limit. However, due to reasons mentioned in point (f) above the modification to charges has detailed in point 3(a) is yet to be completed.

PART II - STATEMENT OF PROFIT AND LOSS

	<i>Rs. In Lakhs</i>	
	For the year ended 31 March 2023	For the year ended 31 March 2022
18 Revenue from operations		
Sale of services		
Income from integrated logistics services	26,612	21,093
	26,612	21,093

(a) Disaggregated revenue information

The Company has performed a disaggregated analysis of revenues considering the nature, amount, timing and uncertainty of revenues. (Refer note 41)

(b) Performance obligations

Information about the company's performance obligations are summarised below:

Revenue is recognised upon transfer of control of promised goods or services to customers.

(i) Revenue by time	For the year ended 31 March 2023	For the year ended 31 March 2022
Revenue recognised at point in time	26,612	21,093
Total	26,612	21,093

(ii) Revenue recognised in relation to contract liabilities

The Company did not have any contract liability in the current and previous financial year.

(c) Contract balances

The contract liabilities primarily relate to the advance consideration received from customers for which revenue is recognized when the performance obligation is over. Advance collection is recognised when payment is received before the related performance obligation is satisfied. This includes advances received from the customer towards providing of services. Revenue is recognised once the performance obligation is met i.e. on completion of services.

(i) Contract assets represents right to receive consideration form sale of services delivered but not billed.

(ii) Unearned revenue comprises of consideration received for the services that are yet to be performed.

27 Earnings per share (EPS)

The following table sets forth the computation of basic and diluted earnings per share:

(Figures in rupees except number of shares)

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022
Loss after taxation as per statement of profit and loss	(78,909)	(24,356)
Less: Dividends on preference shares and tax thereon	-	-
Net profit attributable to equity shareholders for calculation of basic EPS	(78,909)	(24,356)
Add: Dividend on non-cumulative compulsorily convertible preference shares	-	-
Net profit adjusted for the effects of dilutive potential equity shares for calculation of diluted EPS	(78,909)	(24,356)

Particulars	As at 31 March 2023	As at 31 March 2022
Number of equity shares at the beginning of the year	5,85,20,264	5,85,20,264
Less: Cancellation of equity shares as per resolution plan	(1,21,11,301)	-
Add: Weighted average number of equity shares issued during the year	1,35,86,110	-
Number of weighted average equity shares considered for calculation of basic earnings per share	5,99,95,073	5,85,20,264
Number of weighted average shares considered for calculation of diluted earnings per share	5,99,95,073	5,85,20,264

Earnings / (loss) per share:		
Basic	(131.53)	(41.62)
Diluted	(131.53)	(41.62)

28 (i) Gratuity plan

The following table sets out the status of the unfunded gratuity plan as required under Ind AS 19 'Employee benefits'.

Reconciliation of the projected benefit obligations

Rs. in lakhs

Particulars	As at 31 March 2023	As at 31 March 2022
Change in projected benefit obligation		
Present value of obligation as at beginning of the year	109	351
Acquisition adjustment	-	-
Current service cost	5	7
Interest cost	7	17
Benefits paid	-	(212)
Actuarial loss/ (gain) on obligation	(46)	(54)
Obligations at year end	75	109

Change in plan assets

Particulars	As at 31 March 2023	As at 31 March 2022
Fair value of plan assets as at beginning of the year	14	220
Expected return on plan assets	1	16
Contributions	-	(10)
Benefits paid	(3)	(212)
Plans assets at year end, at fair value	12	14

Reconciliation of present value of the obligation and the fair value of the plan assets:

Particulars	As at 31 March 2023	As at 31 March 2022
Closing obligations	(75)	(109)
Closing fair value of plan assets	12	14
Asset / (liability) recognised in the balance sheet	(63)	(95)

Gratuity cost for the year

Particulars	As at 31 March 2023	As at 31 March 2022
Service cost	5	7
Interest cost	7	17
Expected return on plan assets	(1)	(16)
Actuarial loss/(gain)	(46)	(54)
Net gratuity cost	(35)	(46)

Assumptions

Particulars	As at 31 March 2023	As at 31 March 2022
Discount rate	7.16%	6.98%
Estimated rate of return on plan assets	6.98%	6.60%
Salary increase	8.00%	8.00%
Attrition rate	15.00%	15.00%

The estimate of future salary increases, considered in actuarial valuation, takes into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market.

Information of plan assets, defined benefit obligation and experience adjustments:

Particulars	As at and for the year ended 31 March				
	2019	2020	2021	2022	2023
Present value of the defined benefit obligations	(558)	(414)	(351)	(109)	(75)
Fair value of plan assets	353	348	220	14	12
Surplus/ (Deficit)	(204)	(66)	(131)	(95)	(63)
Experience adjustment on plan assets [Gain / (Loss)]	-	-	-	-	-
Experience adjustment on plan liabilities [(Gain) / Loss]	(27)	(139)	(56)	(46)	(45)

Sensitivity Analysis

Particulars	31-Mar-23		31-Mar-22	
	Decrease	Increase	Decrease	Increase
Defined Benefit Obligation (Base)	75		109	
Discount Rate (- / + 1%)	76.25	71.24	114	106
(% change compared to base due to sensitivity)	3.52%	-3.28%	3.73%	-3.47%
Salary Growth Rate (- / + 1%)	71.37	76.08	106	113
(% change compared to base due to sensitivity)	-3.11%	3.28%	-3.31%	3.49%
Attrition Rate (- / + 1% of attrition rates)	73.88	73.45	110	109
(% change compared to base due to sensitivity)	0.3%	-0.28%	0.36%	-0.34%
Mortality Rate (- / + 10% of mortality rates)	73.66	73.65	109	109
(% change compared to base due to sensitivity)	0.00%	-0.02%	0.0%	0.0%

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by one percentage, keeping all other actuarial assumptions constant.

(ii) Compensated absences

The liability in respect of the Company, for outstanding balance of privilege leave at the balance sheet date is determined and provided on the basis of actuarial valuation performed by an independent actuary. The Company does not maintain any plan assets to fund its obligation towards compensated absences.

Sical Logistics Limited
Notes to the accounts

Principal actuarial assumptions used :

	<u>As at 31 March 2023</u>	<u>As at 31 March 2022</u>
Discount rate	7.16%	6.98%
Salary Escalation	8.00%	8.00%
Attrition rate		
Upto 50 years	15.00%	15.00%
50 to 55 years	12.63%	12.63%
55 to 60 years	8.68%	8.68%
60 to 65 years	4.74%	4.74%
Above 65 years	2.00%	2.00%

Sensitivity analysis is carried out by P.U.C.M. method. If an employee's service in later years will lead to a materially higher level of benefit than in earlier years, these benefits are attributed on a straight-line basis. The limitations are that in assessing the change other parameters are kept constant. As some of the assumptions may be correlated, it is unlikely that changes in assumptions will occur in isolation of one another.

There is no change from the previous period in the methods and assumptions used in the preparation of above analysis, except that the base rates have changed

31 Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a CSR committee has been formed by the company. The areas for CSR activity is promoting education. The funds were utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013. The Provision of CSR are not applicable since the company has not earned profits.

32 Financial risk management

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include advances, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The expected credit loss model takes into account available external and internal credit risk factors and the Company's historical experience for customers.

The following table gives details in respect of percentage of revenues generated from top customer and top five customers:

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022
	Revenue from top customer	84%
Revenue from top five customers	97%	96.00%

Credit risk exposure

The allowance for lifetime expected credit loss on customer balances for the year ended 31 March 2023 is Rs.15,823 lakhs (31 March 2022: Rs. 12,929 lakhs).

The following table provides the credit risk exposure towards trade receivables

As at 31 March 2023

Ageing	Weighted average loss	Gross carrying amount	Loss allowance
			<i>Rs. in lakhs</i>
Unbilled	73%	3,925	2,858
Less than 1 year	69%	4,292	2,960
1-2 years	75%	1,277	953
2-3 years	100%	1,912	1,912
More than 3 years	100%	10,495	10,495

Sical Logistics Limited
Notes to the accounts

As at 31 March 2022

Ageing	Weighted average loss	Gross carrying amount	Loss allowance
Unbilled	0%	100	-
Less than 1 year	0%	2,547	-
1-2 years	0%	2,200	-
2-3 years	46%	8,207	3,798
More than 3 years	100%	9,131	9,131

Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks with high credit ratings assigned by international and domestic credit rating agencies.

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities:

Particulars	Note	As at 31 March 2023		
		Less than 1 year	1 - 2 years	More than 2 years
Borrowings	12.1, 14.1 and 14.3	5,105	10,500	22,600
Lease liability	13.2 and 15.3	-	-	-
Other financial liabilities	15.3	590	-	-
Trade payable	15.2	1,705	-	-

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk primarily include borrowings and derivative financial instruments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exchange risk arises from its foreign currency revenues and expenses (primarily in U.S. dollars, and Euros), foreign currency payable (in Euro) and foreign currency receivables (in USD). The following tables present foreign currency risk:

Expenditure in foreign currency:

Total financial liabilities		40,500	1,18,014	40,500	1,18,014

36 Fair value hierarchy

This explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. Derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

- (a) The Company has written back current liabilities and borrowings as per the approved resolution plan. Further, the company has provided impairment allowances for certain assets based on its recoverability. The same resulted in improved current ratio.
- (b) The same is on account of increase in turnover and the Company has provided for all doubtful receivables resulting in reduced closing balance of trade receivables as compared to previous year
- (c) Favourable movement in the current year is on account of de-recognition of the liabilities in the books as mentioned in note 36.
- (d) Favourable movement on account of reduction in trade payables (operational creditors) during the year as mentioned in note 36.
- (e) Unfavourable movement on account of creation of certain liabilities and write off/ provision for certain assets as detailed in note 24.
- (f) The Company has derecognised certain liabilities as per the resolution plan. The same resulted in positive networth leading to favourable movement of these ratios.

41 The Company is primarily engaged in providing integrated logistics services which is considered as single business segment in terms of segment reporting as per AS 108. There being no services rendered outside India there are no separate geographical segments to be reported on.

42 Corresponding figures for the previous year presented have been regrouped, where necessary, to conform to the current year's classification.
